

## Instructions for installing the Medicover Benefits app on Android devices

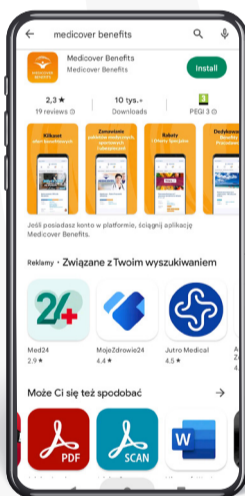

**1.** Log in to your account on the benefit platform and click on the **MOBILE APP** button at the top of the page.

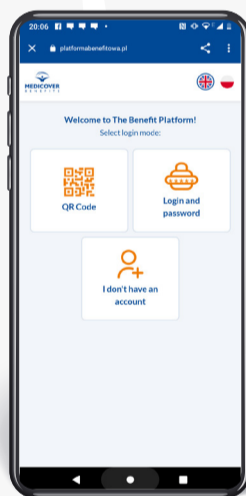

**2.** Enter the mobile phone number and click on **SAVE NUMBER**.

**3.** Once you have saved the number, your individual QR code will be generated. You will need it in the next steps.

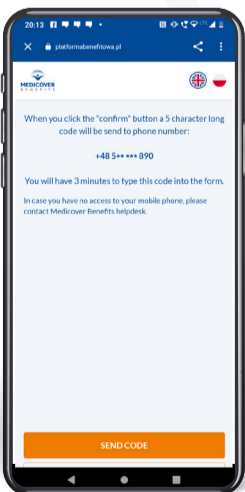

**4.** Go to the **Google Play shop**, type in the search field: "Medicover Benefits".

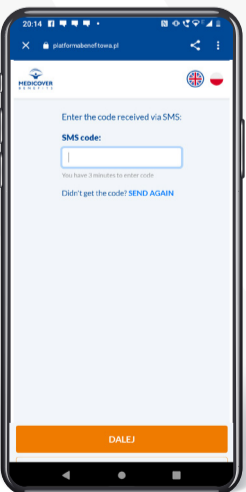

**5.** Open the app. The system will ask you to select a login method. **Select "QR CODE"**.

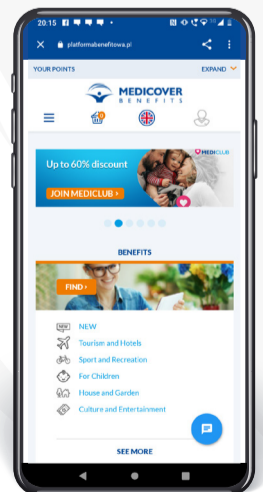

**6.** Click **"NEXT"** and scan the previously generated QR code.

**7.** To confirm your identity, click on the **"GET THE CODE"** button.

**8.** A code will be sent to your phone number by **SMS**. Enter this code, then click **"NEXT"**.

**9.** **Done!** You can use the app on your phone.
