# Instructions for installing the Medicover Benefits
app on iOS devices

1. **Log in to your account on the benefit platform** and click on the **MOBILE APP** button at the top of the page.
2. **Enter your mobile phone number** and click on SAVE NUMBER.
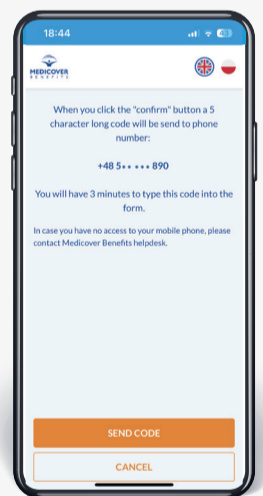

3. **Scan the generated code** using your phone's camera.
4. After scanning the code, **you will be redirected to platformabenefitowa.pl.** Installation is only possible using the Safari browser.

5. Continue by following the displayed instructions.

6. **Open the app.** To confirm your identity, **click on the GET THE CODE button.**

7. **A code will be sent to your phone number,** which you need to enter, then click **NEXT.**

8. **Done!** You can use the app on your phone.

Your benefits at your fingertips!
